Semesters: Spring2009

Meeting times:

DESCRIPTION: Akita is one of prefectures in Tohoku region. As well as other prefecture in Tohoku region, Akita is rich in local culture that still remains as a precious event/ custom/ lifestyle/ form in an area. Students start studying with finding the answer for 'Where is Tohoku/Akita?' and 'what is culture?'. This course provides introduction to Akita culture through studying various kind of culture that are maintained by local people. You may see the local culture that inherit from their ancestors and will leave to future generations in fieldtrips.

OBJECTIVES: The objectives of this course is to provide students with

- * Understanding of richness and diversity of Akita culture;
- * Understanding of particularity and universality of Akita culture;
- * The ability to collect relevant information on Akita culture, to process and critically assess information in order to make a research paper, and to introduce the research to other students both orally and in writing;
- * The ability to develop a logical way of thinking.
